

Perton Parish Council

Lakeside Projects Consultation

Perton Parish Council is considering three new projects that may be implemented in the area near or around the central Upper Lake. Prior to any or all of these projects going ahead the Council is interested to know the views of Perton residents in respect to these projects as users, potential users or non-users.

- **Provision of Lakeside Fitness Trail (Outdoor Gym): Circuit around Upper Lake**
- **Multi Use Games Arena (MUGA): Timed Winter Floodlighting**
- **Replacement and modernisation of Youth Shelter in current position**
