Crime & Disorder Implications

Section 17 of the Crime & Disorder Act 1998, places a duty on a local authority to consider crime and disorder implications and to exercise its various functions with due regard to the likely effect of the exercise of those functions and to do all that it reasonably can to prevent crime and disorder in its area.

Where relevant any decisions made at the Parish Council meeting have taken this duty of care into consideration.

Code of Conduct Dispensations

The only way in which a councillor can speak about business in which they have an interest is if they have been granted a dispensation by their council. A request for a dispensation has to be made in writing to the Clerk and to be granted by decision of the Council, so it must form an item of business on the agenda for the meeting.
