

**Minutes of the Meeting of
PERTON PARISH COUNCIL
held at the Perton Civic Centre on
Monday 15th July 2019 at 7:00pm**

Present D Glynn (Vice Chairman)
AA Bourke PE Davis Mrs L Dew
K Elder Mrs R Heseltine Mrs A James
J Sherlock J Turner Mrs B Walters
Ms S Wilkes
Staffordshire County Council - AK James
Parish Clerk - Mrs B Hodgetts
Members of the Public - Six

Councillor D Glynn took the Chair

48/19 **PUBLIC OPEN SESSION**

The Vice-Chairman welcomed Alderman K James, who thanked the Clerk and Parish Council for the letter of congratulations.

A resident spoke on the issue of litter picking. He stated Perton is in better shape than it has been, but only 1 person attended the last scheduled quarterly litter pick. He suggested that the council could appoint a different Councillor to lead a session on a monthly basis and get their family and friends to help out.

There are several parishioners that pick up litter on their own and there are also 2 part time Parish Council employees that litter pick seven days a week.

This suggestion will be added to the September agenda for a decision.

Residents asked the Police if there was any further update on the two recent car fires in Gainsborough Drive. They have seen no police in the vicinity since and it was felt the community needed more reassurance when incidents like this happen. The Police confirmed that there was nothing to link the incidents, but other departments could be involved.

A knowledge hub has been set up with various intelligence teams working together to hopefully 'work smarter' and the Police have access to covert CCTV systems.

Operation Disrupt has been allocated certain days and will be targeting areas of concern.

Sgt Wincott has also spoken with Inspector Ward and pointed out that there are no arrest numbers given as part of the figures supplied for monthly meetings and the Police should give more information on how investigations are progressing. Smart Alerts are going to give good news as well as the bad.

There appears to be more serious crime being reported than in previous years, the residents need more targeting and reassurance.

On-line reporting will be going live soon to help ease the waiting time of reporting through 101.

Residents are asked to report more, 'if they don't know about it, they can't do anything'.

Speeding was discussed, the worst place for this is the chicane at St, Andrews Drive. Unfortunately Speedwatch is low on volunteers at present, although two residents attending the meeting have now volunteered. Training will be provided.

CCTV is a good idea as the Police cannot be here all the time and the bus lane does not help the situation. Perton would not be eligible to have an ANPR camera
In answer to a residents question at agenda item no. 74/19, can the Parish Council do more, the answer is no, other than to encourage neighbours to talk to each other and residents to help themselves especially with car theft. The Parish Council to publicise a scheme which gives discount on the purchase of steering locks.

We also had two fire jobs where two vehicles have been set on fire on Gainsborough Drive. We have put a trail cam on the carpark whilst the residents sort out their own CCTV.

- ASB hotspots: we have had 10 calls re issues this month, three of these were youth related, two related to cars on carparks not Sainsburys. four neighbour disputes and one drug related issue.

The next police surgery will be at 12 August 12:00 -13:30

Any questions that haven't been covered please drop me an email and I will get back to you as soon as I can?

PCSO 16722 Ashley Tooth

b)

Sgt John Wincott

Most of the questions were raised and answered in the public session. Some statistics of crime for the last 12 months were presented.

- Over a 12 month period Crime in Perton is down by 7% which equates to 34 incidents. Since April there has been an upward tend in crimes specifically theft of motor vehicles, criminal damage and burglary.

- ASB have decreased overall by 29% which equates to 55 incidents in a 12 month period. The majority of calls are rowdy and inconsiderate behavior and there is an increase in neighbour disputes.
- 44% of the calls were resourced at the time of the incident, 22% were youth related and 3% were alcohol.

c) **Concessionary room rate application**

Lakeside Voices Choir - **Resolved** to approve the concessionary room rate.

d) **Public Liability cover**

Resolved that the Lakeside Choir will be indemnified as a non-commercial hirer through Perton Parish Council's Insurance Policy, only whilst using the Civic Centre.

55/19 **STAFFORDSHIRE COUNTY COUNCIL**

a) Severn Drive chicane priority. Perton Parish Council has requested a feasibility study be carried out using the County Councillor Divisional Highway funding, unfortunately a majority of the funding has been allocated to a Burnhill Green issue. **Resolved** to request the cost of Speed Indicator Devices (SID's) from the Community Infrastructure Liaison Manager. Clerk to also look into other funding opportunities.

b) Bus lane Barrier. The County Councillor to confirm if the engineer has visited the site. SSDC are looking into the Traffic Regulations Order for the bus lane, this could force the County Council to repair the barrier.

c) Bus Lane 3rd Exit. Use of the bus lane to form a 3rd exit was discussed. Following a show of hands, it was **Resolved** that this is not to be pursued, 10 in favour, 1 abstention.

d) **Written report from County Councillor AK James**

Member for the Perton Division of Staffordshire County Council

Further information on the changes to the Community Fund are that the scheme is now to be run as People helping People Fund. The Fund is looking to support community led projects that can be applied for by downloading the application and reading the type of funding that will be considered. Examples have been sent to me that are registered charities with committees and financial structures. Applications will require match funding to be considered. As there is a Priority Meeting for County Members at Codsall on the 16th. July for local issues. I will attend and follow up on the procedures required for prospective applications or precise examples of funding that will be eligible.

In connection with the bus barrier at Gainsborough Drive. This is an ongoing matter that I have agreed to donate part of my DHP allowance to arranging an inspection of the bollard by a County Council appointed contractor. At present I have not heard if this has been carried out. The Parish Council have been made aware of this offer and are copied into correspondence when to becomes available.

There has been a Countryside and Rural Highways Officer from the County Council visit Kingswood Common at my request to define and confirm the location of Rural footpaths in that area. A complaint was received from a resident there that horse riders were using the footpaths and not bridleways to access the Common. Unauthorised obstructions had been placed on these routes and it was established that these were to be removed.

56/19 **SOUTH STAFFORDSHIRE DISTRICT COUNCIL**

a) **Report from District Councillors**

Written report from Cllr Mrs R Heseltine - Member for Perton Lakeside Ward of SSDC

Since the last Parish Council meeting I have attended the following:

11.06.2019 Well Being Select Committee. The work programme for 2019/2020 was agreed upon but with the understanding that items can always be added or substituted.

13.06.2019 Member Training on the following:

Corporate Health and Safety Policy. Very interesting and relevant presentation which covered such aspects as fire safety, personal safety for members (surgeries/meetings), what to avoid and what to consider when arranging home visits and who's responsible for health and safety at SSC. Obviously, there is an H&S team but fundamentally EVERYONE is responsible - the employer, the Chief Executive, line managers and employees. There were handouts for each member in attendance with regards to the content covered.

The Constitution and the Code of Conduct - Governance.

Mandatory for every member to undergo this training as this is what governs - hence "governance"- the role and conduct of all Councillors. There are rules which must be followed or there can be serious consequences, so it is important that members have this training. If in doubt about anything the advice is to seek guidance from the appropriate officers.

17.06.2019 M54-M6 Link Road Improvement Scheme Presentation by Highways England. The aim of Highways England was to present the latest plans, update on the timetable to construction, update on the Statutory Public Consultation and to engage with key stakeholders over the design as progress is made towards the submission of the Development Consent Order. This project is a huge undertaking with the estimated start of construction being late 2021. For more information: www.highwaysengland.co.uk/M54-M6linkroad or <https://youtube/dfusGedS17g>

18.06.2019 Planning Committee training “Making Good Decisions” open to all Councillors, not only those on the planning Committee. Areas covered: Power to make Decisions, Legal and other Challenges to Decisions, Risks and Mitigating Risks. Planning Committee. The first meeting with the new structure of this Committee.

25.06.2019 Full Council. Amongst other items on the Agenda and the updates from Chairmen of the various Committees the meeting was given the names of those Parish Councillors appointed to the Standards and Resources Committee.

27.06.2019 Member Training: GDPR. An extremely complex subject but one which is very important. The programme was as follows: History/Why GDPR, Definitions, Principles, How to Legally Process, What Information to Give, Rights, Security, What to Do. As always, if in doubt, seek advice.

03.07.2019 Local Plans Update. Once again, highly confidential, so I can't give any details.

04.07.2019 Member Training:

Equality and Diversity presented by Maggie Quinn. Definitions of what equality and diversity are. Equality: “ensuring individuals or groups of individuals are treated fairly and equally and no less favourably due to a specific need and is about creating a fairer society where everyone can participate and has the opportunity to fulfil their potential.” Diversity: “literally means difference and aims to recognise, respect and value people's differences to contribute and realise their full potential by promoting an inclusive culture for all staff.” There are some interesting demographics for South Staffs.

Safeguarding Awareness Training also presented by Maggie Quinn. Began with a quiz to determine what is understood by “safeguarding”. Very informative and quite sobering. I have lots more information if anyone is interested.

07.07.2019 SSC Chairman's Civic Sunday. A lovely service was held at Saint Mark's Church Great Wyrley followed by a luncheon hosted by Chairman Councillor Mrs. Kath Williams at Great Wyrley Community Centre. Her charity for this year is Kaleidoscope Plus Group which works with individuals, organisations and schools promoting positive health and wellbeing and tackling the stigma attached to mental ill health. It supports thousands of people through a network of provisions including counselling, suicide prevention, bereavement support services, training, residential care and wellbeing activities.

09.07.2019 Community Hub and Business Transformation. An update on the exciting new vision for the future of the SSC buildings and their use. Plans are now in place for total refurbishment and reconfiguration of the building which will include additional business provision amongst other innovations. So watch this space!

Along with Councillor Caine I have also liaised with SSC to get the goose/swan/duck poo cleaned from various locations and I have requested that nettles etc. are cut back from the new lifebelt casing at the Lower Lake as it's almost impossible to actually see the case! Reported the failure of the pedestrian lights near to the Pear & Partridge and they were repaired. However, there are still some issues as every so often they fail again but then seem to right themselves. Have reported this and, once again, stated that our children can't even exit the village safely now let alone walk to school safely.

Pedestrian lights at the Pear and Partridge were reported not working and the pedestrian lights at St. Andrews, the green light is shielded and difficult to see.

Written report from Cllr P Davis - Member for Perton Dippons Ward of SSDC

During the past month I have attended the following meetings.

- June 12th attended an L.G.A. training course for new councillors.
- June 13th a Corporate Health and Safety training course was held at S.S.D.C.
- June 17th a presentation was made by Highways England showing plans for the proposed M54 M6 Link road.
- June 18th Planning Committee training at S.S.D.C.
- June 24th I attended the annual Armed Forces Ceremony event at S.S.D.C.
- June 25th Full Council meeting at S.S.D.C.
- June 27th GDPR training at S.S.D.C.
- July 3rd I attended a local plan update on the district housing strategy.
- July 4th an informative training seminar was held at S.S.D.C. This concerned Equality and Diversity.
- July 9th A presentation was made to provide an update about the Community Hub Development at S.S.D.C.

Written report from Cllr AA Bourke - Member for Perton East Ward of SSDC

17th June - M54/M6 Link Road Presentation by Highways England.

- District Councillors were given a presentation of this link road which is forming part of the consultation by Highways England.
- This is a huge project which, following all the statutory consultations / applications, Highways England hope to begin construction late 2021.
- A 'fly through' video is available on youtube at <https://youtube/dfusGedS17g> or on the Highways England website 18th June - Planning Committee training - Making Good decisions.
- This is a training event for all District Councillors and not just members of the planning committee.
- The event covered, the council/councillors power to make decisions and legal challenges to decisions.
- One of the main messages of the meeting was that to refuse any planning application, the law specifically requires that a planning reason must be given.

18th June - Planning Committee training - Making Good decisions.

- The event covered, the council/councillors power to make decisions and legal challenges to decisions.
- One of the main messages of the meeting was that to refuse any planning application, the law specifically requires that a planning reason must be given

25th June - Full Council Meeting

- Included in the various updates, Street Scene reported that grounds maintenance contracts had been secured with Jaguar Landrover on their i54 site and Age UK in Wombourne. Knowing how stretched the team already are, I asked the Cabinet member for Community Services, Councillor Len Bates, what additional resources would be put in place to make sure current levels of service to our communities will not be effected. I pointed out that while it is nice to have these contracts, the taxpayer is, in fact, the District Councils most important customer. Unfortunately, the answer I received was that the team

would 'make time' to ensure they would not fall behind - not sure how this will work in practice.

3rd July - Local Plans Update

- Councillors were provided with an update from the local plans team regarding the District Councils progress on the new housing strategy.

Crime and Disorder Implications

Section 17 of the Crime and Disorder Act 1998, places a duty on a local authority to consider crime and disorder implications and to exercise its various functions with due regard to the likely effect of the exercise of those functions and to do all that is it reasonably can to prevent crime and disorder in its area.

Where relevant any decisions noted herein have taken this duty of care into consideration.

Signed
Chairman

Date: 9th September 2019
