

Help shape the future of the district

A new Local Plan for South Staffordshire is being prepared by the Council.
Have your say and take part in the consultation.

The first stage of consultation takes place from Monday 8 October until 5pm on Friday 30 November 2018. During the consultation, three all-day drop-in sessions are taking place in Penkridge, Codsall and Wombourne from 10am to 7pm where you can meet and talk about the review with the Council's Local Plans Team.

What type of housing do we need?

Where should the new homes go?

What about protecting the Green Belt?

How many homes should be built?

**What about infrastructure, community services
and leisure facilities?**

South Staffordshire Council

Local Plan Review

Issues and Options Consultation – Drop-in Sessions

The Local Plans Team is holding 3 drop-in sessions where you can speak with a member of the Local Plans Team about the review.

The sessions will be held between 10am and 7pm at the following locations:

Wednesday 7 November 2018	Wombourne Civic Centre
Wednesday 14 November 2018	Council Offices, Codsall
Thursday 15 November 2018	Haling Dene Centre, Penkridge

The sessions are open to everyone who has an interest in planning for the future of South Staffordshire
